DOLPHIN EXPANDS TO EASTERN CANADA WITH NEW HIRE

VANCOUVER, BC. – November 16, 2007 - Dolphin Enterprises is pleased to announce it has signed Ted Chliszczyk, to represent the company in expanding its products and services throughout Eastern Canada.

Mr. Chliszczyk brings over 15 years experience in mortgage administration software and will be instrumental in furthering sales and providing valuable client training. His extensive background in account management, business analysis, project management, conversions, and multi-investor portfolios will be of great benefit to the company and its growing customer base.

Mr. Chliszczyk recently completed a consulting contract in the UK for a large European bank in the area of software implementation and conversions. His experience has also included being Director of Mortgage Administration for GMAC Residential Funding as well as Account Executive with Marlborough Stirling Canada.

"We now have a larger regional footprint to increase services and training for our eastern clients while continuing to expand product sales and development in the rest of Canada," stated Shannon Dolphin, CEO of Dolphin Enterprises. "Mr. Chliszczyk is a tremendous asset and we are very pleased to have him join our team."

About Dolphin Enterprises

Dolphin Enterprises continues to develop and implement Mortgage Investment Management Software for the Alternative Lending Industry. As the leading provider of MIC, or Mortgage Investment Corporation Software, in addition to the Syndicate Manager, Dolphin is continuing to provide software solutions for clients to improve their database management efficiency and accuracy thus improving overall corporate profitability.
